ABOUT EVEREST COLLEGE

This College is a part of Rhodes Colleges, Inc. (RCi). RCi was formed in 1996 to own and operate colleges across the nation that focus on high demand and specialized skills. RCi is continually seeking to provide the kind of education and training that will best serve the changing needs of students, business and industry.

Historically the roots of Springfield College in Springfield, Missouri extend back to 1910. At that time the College was named the Springfield Business School. The College was acquired by RCi on October 17, 1996. The name of the College was changed to Springfield College at the time of acquisition. The name of the main campus in Springfield was subsequently changed to Rhodes College and in April of 2002 was changed back to Springfield College. This branch campus in Rancho Cucamonga, California opened in October 2000 as Rhodes College. In April 2002 this campus was renamed Everest College.

With headquarters in Santa Ana, California, and colleges in various states, RCi is dedicated to continuing this College's tradition of excellence in providing education and training to its community.

PHILOSOPHY

Everest College is dedicated to the ideal that every student should have the encouragement and opportunity to develop to their full potential. We believe that most students will succeed in a collegiate environment when they receive the proper motivation. We are dedicated to providing that motivation and assisting students in the achievement of personal, educational, career, and economic goals. Everest College maintains the belief that each student, regardless of sex, race, color, religion, wealth, age, disability, or background, must be prepared for effective living as a contributing citizen in a rapidly changing society where lifelong learning must be viewed as a normal expectation. The College further believes that the life of an individual is enriched by the acquisition of knowledge and the attainment of useful skills.

MISSION STATEMENT AND OBJECTIVES

The College believes that educational programs must promote excellence based upon the optimum fulfillment of students' capabilities as determined by their experiences, needs, and incentives. It accepts the responsibility to provide the maximum opportunity for its students to acquire the basic skills and knowledge to be intellectually curious and aesthetically aware, to think and work creatively, to achieve self-discipline and economic sufficiency, to understand the obligations of democratic living, and to live in harmony with nature and others.

In the accomplishment of its mission, the College is constantly improving its educational programs; helping each student to develop into a well-adjusted, useful, intelligent, contributing citizen; maintaining constant involvement with all segments of the community; and providing effective management and utilization of human and financial resources.

In order to assure continued fulfillment of its mission, the College has established the following goals:

1. The College is committed to quality in teaching and excellence in education and to this means shall seek qualified faculty who will bring excitement to the classroom and stimulate enthusiasm and eagerness for learning in the student.
2. Through its academic progress, the College shall seek to impart essential skills, competencies, and attitudes that students need for successful careers and for continued study; to increase access for both traditional and nontraditional students; and to continually improve its educational process at all levels. The College's success in realizing these goals will be measured regularly through surveys of students, graduates and employers.
3. The College shall strive to develop in all students the intellectual potential that will lead them to realize their capacities for independent thinking, intelligent decision-making, and individual expression of opinions.
4. The College is committed to having its sites maintain a vital link to the communities they serve through inclusion of community and business leaders in survey and evaluation of its academic programs and graduate job performance. Fulfillment of this goal shall assure that the College, the community, and all citizens of the region served will be better prepared for the social and economic developments of the future.

STATEMENT OF NON-DISCRIMINATION

Everest College does not discriminate on the basis of race, color, religion, age, disability, sex, sexual orientation, national origin, or citizenship status in its admission to or treatment in its programs and activities, including advertising, training, placement and employment. The College President is the coordinator of Title IX - the Educational Amendments Act of 1972, which prohibits discrimination on the basis of sex in any education

program or activity receiving federal financial assistance. All inquiries or complaints under the sex discrimination provisions of Title IX should be directed to the College President. The College President must act equitably and promptly to resolve complaints and should provide a response within seven working days. Students who feel that the complaint has not been adequately addressed should contact the Student Help Line, (800) 874-0255.

ACCREDITATION AND PROFESSIONAL RECOGNITIONS

Accredited by the Accrediting Council for Independent Colleges and Schools to award Associate's degrees. The Accrediting Council for Independent Colleges and Schools is listed as a nationally recognized accrediting agency by the United States Department of Education and is recognized by the Council for Higher Education Accreditation. The Accrediting Council for Independent Colleges and Schools (ACICS) is located at 750 First Street, NE, Suite 980, Washington, D.C. 20002-4241, (202) 336-6780.

Everest College in Rancho Cucamonga, California, is accredited as a branch of Springfield College in Springfield, Missouri.

Everest College is approved to operate by the Bureau for Private Postsecondary and Vocational Education. Approval to operate means compliance with minimum state standards and does not imply any endorsement or recommendation by the state or superintendent. This college is not a public institution.

LOCATION AND FACILITIES

Everest College is located in Rancho Cucamonga, California. The campus is located close to the intersection of two freeways, I-10 and I-15, providing convenient access to the College from throughout the area. The College is located on Archibald Street, just north of the Archibald exit from Interstate 10. There are adequate parking facilities and accommodations for staff, faculty, and students. All physical plant facilities are easily accessible to both day and evening students.

Educational facilities and equipment include four computer labs and 13 lecture rooms. The facility includes a student lounge and student restrooms. A bookstore with service counter is also available for students' convenience. The library includes collections appropriate and relevant to the educational programs offered by the College.

In addition to the educational facilities, the physical plant includes academic and administrative office areas, a conference room and a general reception area. The remaining space is allocated to a faculty and staff lounge, restrooms, and storage.

STUDENT DISABILITY SERVICES/ACCOMMODATIONS

College has an institutional commitment to provide equal educational opportunities for qualified students with disabilities in accordance with state and federal laws and regulations, including the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973. To provide equality of access for students with disabilities, the College will provide accommodations and auxiliary aids and services to the extent necessary to comply with state and federal laws. For each student, these accommodations and services will specifically address the functional limitations of the disability that adversely affect equal educational opportunity. Applicants or students who would like to request disability service/accommodations must make a request to the Campus President/Campus Disability Services Coordinator.

LIBRARY

Everest College maintains an up-to-date, staffed library for use by our students and faculty. The library is accessible during business hours (8:00 a.m. to 9:00 p.m.) and can also be made available before and after hours by arrangement through the Academic Department

The library collection consists of reference works, periodicals, manuals, handbooks, business and technical texts, biographies, novels, fiction and non-fiction works. Audio-visual equipment is available for in-library use. In addition, the library has computers available for student use that are equipped with subscriptions to online databases related to the degree fields offered by the College for research purposes. Online resources are provided to support classroom activities and to provide students with access to virtually unlimited resources.

Library computers are also provided as a convenience for students to complete or edit assignments; a 30-minute time limit may be imposed when students are waiting to use the computers.

The library computers are intended to be used for assignments and research. They are not intended for personal use, access to inappropriate Web sites, or access to personal email. Students are expected to have other computer resources and should not expect the library computers to be their only computer. For student convenience, there is a list of local libraries and vendors where students may also have access to computer resources.

Students also have access to a copier in the library. Copy cards can be purchased in the bookstore or through the Bookkeeper's office.

ADMISSIONS

ADMISSION POLICY

Graduation from high school or its equivalent is a prerequisite for admission to the College. Applicants not completing a secondary program or not having a diploma will be considered for admission on the basis of the General Education Development (GED) test or other equivalency. All applicants are required to successfully complete an assessment examination, the Career Programs Assessment test (CPAt) with a minimum score of 120. This standardized, nationally normed test is administered by the College and is designed to further ensure that the applicant has the skills necessary to pursue a college-level program.

Applicants enrolling under the Ability to Benefit provision are required to achieve a passing score on an independently administered, standardized, nationally recognized test that is approved by the U.S. Department of Education. The ability to benefit will be determined by passing the Career Programs Assessment Test (CPAt) offered by ACT, Inc. Applicants must achieve minimum scores of 42 on language usage, 43 on reading, and 41 on numerical skills. This test is designed to measure prospective students' ability to benefit from the course of instruction. Applicants who pass this test have fulfilled the College's entrance test requirements. Applicants who fail the test can be retested using the test developer's guidelines or one week, whichever is longer. Students must begin classes within one year of their test date. Students who withdraw after starting school, or are terminated by the school and re-enter more than one year after their test date, must take the test again.

Transfer students who are high school graduates or GED holders (or other recognized equivalency) and who can submit proof of successfully completing a minimum of 36 quarter hours or 24 semester hours of earned college credit at an accredited postsecondary institution will not be required to complete the above-referenced test. Applicants who have completed the ACT with a score of at least 15 or the SAT with a score of at least 700 will not be required to complete the above-referenced test.

Applicants are informed of their acceptance status shortly after all required information is received and the student's qualifications reviewed. Students may apply for entry at any time.

INTERNATIONAL STUDENTS

Everest College accepts international students; however the College is not, at this time, approved by the Immigration and Naturalization Service to issue I-20 Forms. Prospective international students must, therefore, be in possession of a visa that allows them to legally attend school. English language services (including instruction) are not available. Visa services are not available at Everest College.

When foreign students apply for admission, official transcripts of completed secondary and applicable post-secondary credits are required with notarized translation. These transcripts must include specific dates of school attendance, courses taken during each year of attendance, and grades received for each course. Satisfactory evidence of successful mastery and command of the English language is required for all foreign students enrolling in any program. A TOEFL Score of 450 or its equivalent (133 computer based) is required for entry into an undergraduate degree program.

LANGUAGE PROFICIENCY

Courses are not offered in languages other than English, nor is English as a Second Language training offered. English language services (including instruction) are not available. If the results of the Entrance Examination described above indicate, in the judgment of the Academic Dean, that the applicant might not have language skills sufficient to master the required coursework, the applicant may be asked to take the TOEFL examination as described above as a condition of acceptance to the College.

ADMISSION AND REGISTRATION PROCEDURES

NEW STUDENTS

High school graduation or its recognized equivalent (such as the GED) is a prerequisite for admission to the College. Applicants will be required to sign an "Attestation Regarding High School Graduation or Equivalency" indicating that they meet the College's requirements for admission. Applicants are advised that Everest College accepts students only after a personal interview with an Admissions Representative.

After the interview an application for enrollment is completed pending final acceptance by the College.

If other documents are required for enrollment and are not available at the time of application, students may be accepted for a limited period to allow time for receipt of official transcripts from colleges attended, College Level Examination Program (CLEP) scores, certificates of completion from military schools, and other required documents. Course work completed satisfactorily during this period will count toward graduation.

If the College accepts the applicant, the application for enrollment will be processed. Times and places of orientation will be given to the applicant by mail or telephone. If the applicant is not accepted, he/she will be notified promptly. Attendance at an orientation session is mandatory for all new students.

CONTINUING STUDENTS

Prior to the end of the term, students will have had the opportunity to register for the next term. All students are expected to register during specified times. A late registration fee of \$25 will be assessed to students who fail to register during designated registration periods.

REENTERING STUDENTS

Readmission to Everest College following withdrawal will be at the discretion of the Academic Dean or the College President. Readmission following dismissal for non-attendance, lack of academic progress, or misconduct will also be at their discretion. More than two reentries into the College will be considered on a case-by-case basis at the discretion of the Academic Dean or College President. Reentry in certain programs may be prohibited. Readmission to Everest College is granted in accordance with currently accepted admissions guidelines.

The applicant must submit a written application to the Student Success Coordinator and must receive initial approval from the Finance Director. Applications will be considered on a case-by-case basis and approved at the discretion of the Academic Dean or College President. The College President has final authority for all decisions concerning re-entry to the College.

TRANSFER STUDENTS

Students who have attended another accredited institution and wish to transfer to Everest College may be admitted if the admission requirements are met. Please see "Transfer of Credit" section.

ACADEMIC POLICIES AND PROCEDURES

GRADING SYSTEM

Final grades are reported at the completion of each grading term and are provided to each student. If mailed, they are sent to the student's home address.

The following grading system is used:

GRADE	EVALUATION	QUALITY POINTS PER QTR HOUR
A	Excellent	4
B	Good	3
C	Average	2
D	Below Average	1
F	Failed to Meet Course Objectives	0
I	Incomplete	0
P	Pass	Not Calculated
PE	Proficiency Exam	Not Calculated
PL	Prior Learning/Experiential Learning Credit	Not Calculated
TR	Transfer	Not Calculated
W	Withdrawal	Not Calculated
WZ	Withdrawal Military	Not Calculated
Course Repeat Codes		
REXC	Class has repeated, grade excluded from statistics	
RINC	Class repeated, grade included in statistics	

GPA AND CGPA CALCULATIONS

The grade point average (GPA) for each term and cumulative grade point average (CGPA) are calculated on residence courses taken at the College. The GPA for each term is calculated by dividing the quality points earned that term by the total cumulative credits attempted for the GPA. The CGPA is calculated by dividing the total cumulative quality points earned by the total cumulative credits attempted for the GPA.

The number of quality points awarded for each course is determined by multiplying the points listed for each letter grade by the number of credits of the course. For example, a grade of A in a four-credit course earns 4 (credits) X 4.0 (quality points) for a total of 16.0 quality points, and a grade of C in a three-credit course earns 3 (credits) X 2.0 (quality points) for a total of 6.0 quality points.

INCOMPLETES

An "Incomplete" cannot be given as a final grade. However, at the end of the term students may, with the instructor's approval, be granted a maximum extension of 14 calendar days to complete the required class work, assignments and tests. The extension cannot be used to make up accrued absences from class. If students do not complete the required class work, assignments and tests within the extension period, they will receive a failing grade of F for the course. The F will be averaged in with the students' other grades to determine the cumulative GPA.

DEFINITION OF CREDIT

Everest College grants academic credit in credit hours (credit hours referred to in this catalog are quarter credit hours). A credit hour is given for a minimum of 10 lecture hours of instruction, a minimum of 20 hours of developmental studies or laboratory instruction, or a minimum of 30 hours externship practice. The listing of credit hours is not meant to imply transferability into other college programs. A credit hour is a unit of measure, not necessarily an indicator of transferability of credit. The receiving institution, rather than the training institution, decides whether to accept credits for transfer.

CREDIT BY EXAMINATION

Students who feel they are sufficiently competent in a particular subject in the Everest College curriculum to justify the awarding of college credit in that subject may request credit by examination. A written request must be submitted to the Department Chairperson.

The examination may be written, oral, or both. Students failing the examination will not be allowed to take a second examination and will be expected to take the subject as a regularly scheduled course. A student must score 85% or above in order to receive credit and the decision of the examining instructor will be final.

A maximum of 16 credit hours may be earned through "Credit by Examination" at the College; and an administrative fee will be charged for credit by examination. No letter grade is awarded for credit by examination, but the course credit is awarded toward graduation requirements. Credit by examination is generally not accepted for transfer by other institutions to which students may seek to transfer after graduation.

STANDARDIZED TESTING

The College accepts appropriate credits transferred from the College Level Examination Program (CLEP), DANTES subject testing, and certain professional certification examinations recognized by the American Council of Education. Official test scores must be sent to the Office of the Registrar at the College of attendance.

TRANSFER OF CREDITS

Students with earned college credits from another accredited institution may apply for credit transfer to the institution. Credit will be accepted only for courses that are compatible with the student's program of study at this institution and for courses in which a grade of C or higher was earned. However, students may transfer applicable credits from another CCI college in which a D or higher was earned. Those credits will be treated as transfer credits and will not count toward fulfilling residency requirements at the new location. Students wishing to change campus locations must have official transcripts mailed directly to the Office of the Registrar. (See the table of CCI schools in the back of this catalog.) Grades earned more than 10 years ago are not accepted except to fulfill general education and college core requirements.

Students must complete at least 25% of all program hours in residence. Students wishing to transfer credits must have official transcripts mailed directly to the Office of the Registrar. Transcripts must be received prior to the end of the first term of enrollment. Transcripts received after the end of the first term may be considered at the discretion of the Academic Dean.

Students receiving veteran's benefits are required by the Veterans Administration to provide transcripts of credit from all schools previously attended. They must have all prior education and training evaluated upon enrollment. Credit will be awarded where applicable with the program being shortened accordingly. The student and the Department of Veteran Affairs will be notified.

GENERAL EDUCATION

Subject to certain limitations and program requirements, coursework in general education subject areas (i.e., humanities, social sciences, mathematics, and science) may be transferred at the institution's discretion to fulfill the equivalent subject area general education requirements of the student's program of study. Details on this policy may be obtained in the Academic Dean's office.

MILITARY TRAINING

The institution may award credit for occupational experience and training courses completed while serving in the Armed Services of the United States as recommended by the American Council on Education. Veterans or active duty service members may submit the ACE military transcript applicable to their branch of service to the Office of the Registrar for evaluation.

LEARNING ASSESSMENT

The Institution accepts appropriate credits transferred from the College Level Examination Program (CLEP), DANTES subject testing, and certain other professional certification examination programs. Contact the campus Academic Dean for the current list of approved exams and minimum scores required for transfer. Official test scores must be sent to the Office of the Registrar.

ACADEMIC LOAD

All students at the College must be in full-time attendance unless they have approval to take less than a full load. A full-time student at Everest College is one who is enrolled in at least 12 credit hours per term. Students who have approval to take less than a full load must understand that any Financial Aid previously awarded may be reduced. Should students desire to accelerate their program, they are encouraged to increase their credit hours per quarter.

ACADEMIC HONORS

PRESIDENT'S LIST AWARD

Everest College recognizes those full-time students who excel in their academic performance at the end of the regularly scheduled full term. The highest honor that can be achieved each term is to be named to the President's List. The President's List includes those full-time students (must carry at least 12 credit hours during the term) who earn a 4.0 (A) grade point average for the term.

DEAN'S LIST AWARD

Everest College recognizes another category of students who excel in their academic performance. These students are named to the Dean's List. The Dean's List includes those full-time students (must carry at least 12 credit hours during the term) who earn a 3.5 or higher grade point average for the term and have earned no grade lower than a C in any course that term.

PERFECT ATTENDANCE AWARD

The College recognizes the achievement of perfect attendance. Students whose attendance record reflects no incidence of absence, tardiness, or early departure from class during the quarter will be recognized each quarter. No exceptions will be made regardless of reason.

GRADUATION HONORS

Students who graduate with outstanding academic achievement evidenced by a cumulative grade point average of 3.50 or higher are entitled to graduate with honors.

WITHDRAWAL PROCEDURES

Students finding it necessary to withdraw from the College should notify the College in writing as to why and when the withdrawal is necessary. A drop form must be completed with the Student Success Coordinator, and complete out-processing through the Academic Department and Student Finance Office must occur prior to dropping. Failure to provide written notification will result in a delay in out-processing and a delay in any refund due the student or the funding source. The Department Chair and/or Academic Dean must approve withdrawal from any individual course, and grades upon withdrawal will be assigned in accordance to the grading system indicated in this catalog.

OUT-PROCESSING UPON WITHDRAWAL

A student who must withdraw from Everest College prior to completion of degree requirements should: (1) contact the College and inform the Student Success Coordinator of plans to withdraw, (2) schedule an exit interview with the Department Chair and/or Academic Dean during which the student's reasons for withdrawal will be discussed, and (3) visit the Student Finance Director to insure that the student's financial obligation to the College has been met up to and including the student's last day of class attendance. The student must make satisfactory financial arrangements with the Finance Director in the event of having an outstanding balance.

DROP/ADD PERIOD

The first 14 calendar days of each academic quarter are designated as the drop/add period. This period allows for adjustments to student schedules that may be necessary. This is the period when students may add or delete courses in order to finalize their schedules. Holidays that fall during this timeframe are not counted as part of the drop/add period. Students who wish to make course changes must request approval from the Academic Dean and the Student Finance Office.

The student charges for the term will be determined by the classes the student has attended by the end of the third week of the term. There are no charges for classes dropped during the drop/add period. A student who attends a class beyond the drop/add period or who attends a class and does not drop it within the drop/add period will be charged for the class. For this reason it is important that students drop classes in a timely manner.

For students enrolling in school during the mini-term, the first seven days of the mini-term are considered the drop/add period. Holidays that fall during this timeframe are not counted as part of the drop/add period.

GENERAL EDUCATION REQUIREMENTS

All Associate of Science degree programs at Everest College are designed to emphasize the student's major course work, which is structured to prepare the student for their chosen career opportunities. General education courses fall under the following three subject areas; Humanities, Social Sciences, and the Natural and Physical Sciences. Each program requires students to complete coursework from each of the subject areas as specified in the program outline. The general education component broadens the overall education orientation of each degree seeking student. A minimum of 24 credit hours must be completed from the overall general education component listed in the curriculum for each program of study.

ATTENDANCE POLICY

Students should strive for perfect attendance and punctuality on a daily basis to emulate the attendance requirements of the workplace. In an effort to reinforce a sense of professionalism, and in the interest of realistic expectations in the workplace, the College has developed the following attendance policy for all matriculated students. The College understands that there are extenuating circumstances that may cause a student to miss one or more classes. This policy addresses these circumstances.

Students must sit for attendance within the first 14 days of each term start. If a student fails to attend class by the first class of the third week of the term, the student may be withdrawn from the course by the Academic Dean.

Students who will be absent from classes are expected to contact the College to report their absence. If a student expects to be absent for more than two days, he/she must call the Department Chair, the Associate Dean or the Academic Dean to discuss the reason for the absence.

Should a student's absences reach 25% of the total scheduled hours in a term for any course, the student will be given a written warning. Students given a warning will be encouraged to meet with the Academic Dean, or designee, to develop a plan to improve the student's attendance. Students placed on attendance probation will be returned to non-probation status at the start of the next term, assuming they have satisfactorily completed the course requirements.

Should a student's absences for any single course reach 40% of the total scheduled hours in a term, the student may be withdrawn from the course. Should a student's absences reach 40% of the total scheduled hours for all courses, the student may be withdrawn from the institution. Students have seven days from the notification date of suspension to appeal being withdrawn from the course or institution.

Students who miss 14 consecutive calendar days in all classes may be dropped from school.

TARDINESS/EARLY DEPARTURE

Students who arrive for class more than 15 minutes after the scheduled start time will receive a tardy on their attendance record. Students who depart from class more than 15 minutes before the scheduled completion time will receive an early departure on their attendance record. Students who are chronically tardy will be subject to academic advising.

STANDARDS OF SATISFACTORY ACADEMIC PROGRESS

Students must maintain satisfactory academic progress in order to remain eligible to continue as regularly enrolled students of the College. Additionally, satisfactory academic progress must be maintained in order to remain eligible to continue receiving federal financial assistance.

Satisfactory academic progress is determined by measuring the student's cumulative grade point average (CGPA) and the student's rate of progress toward completion of the academic program. These are outlined below.

CUMULATIVE GRADE POINT AVERAGE (CGPA) REQUIREMENTS

Students must meet specific cumulative grade point average requirements at specific points during their enrollment in order to be considered to be making satisfactory academic progress. These requirements are noted in the tables below, along with rate of progress requirements. These will be reviewed at the end of each academic quarter, after grades have been posted, to determine if the student's CGPA is in compliance.

RATE OF PROGRESS TOWARD COMPLETION REQUIREMENTS

In addition to the CGPA requirements, a student must successfully complete a certain percentage of the credits attempted to be considered to be making satisfactory academic progress. Credits attempted are defined as those credits for which students are enrolled at the end of the drop/add period of an academic term. These percentage requirements are noted in the Satisfactory Academic Progress Table, along with CGPA requirements. As with the determination of CGPA, the percentage completion requirements will be reviewed at the end of each academic quarter, after grades have been posted, to determine if the student is progressing satisfactorily.

MAXIMUM TIME IN WHICH TO COMPLETE

A student is not allowed more than 1.5 times, or 150% of, the standard length of the program in which to complete the requirements for graduation. This will be measured by limiting students to attempting 1.5 times, or 150% of, the number of credits in their program of study. The requirements for rate of progress are to assure that students are progressing at a rate at which they will be able to complete their programs within the maximum time frame. The maximum allowable attempted credits are noted in each of the Satisfactory Academic Progress Tables.

GRADUATION

In order to graduate, a student must have earned a minimum of a 2.0 CGPA and must have successfully completed all required credits within the maximum credits that may be attempted. However, students meeting the CGPA or rate of progress requirements applicable to the total credits attempted are deemed to have academic standing consistent with the College graduation requirements. These graduation requirements, along with any other specific requirements, are also outlined under the "Graduation Requirements" section in the College catalog.

ACADEMIC PROBATION

At the end of the quarter, after grades have been posted, each student's cumulative grade point average (CGPA) and rate of progress are reviewed to determine whether the student is meeting the requirements stated below. Any student not maintaining the minimum required overall grade point average is placed on academic probation. Academic probation is a formal and official warning to the student to reassess his or her study habits, class loads, or program selection.

The student will remain on academic probation as long as his or her CGPA or rate of progress remains in the probation ranges specified. If a student on academic probation fails to meet the grade point average required, that student may be suspended from the College for a period of one term. A student returning to the College after suspension will be on academic probation during the first term of return. When both the CGPA and rate of progress are above the probation ranges specified, the student is removed from probation. During the period of academic probation students are considered to be making satisfactory progress both for academic eligibility and financial aid eligibility.

Students on probation must participate in academic advising as deemed necessary by the College as a condition of their probation. In addition, students whose probation status extends over multiple academic terms may be directed to participate in extra tutorial sessions or developmental classes. Students who fail to comply with these requirements are subject to suspension even though their CGPA or rate of progress may be above the suspension levels.

ACADEMIC SUSPENSION

If the student's CGPA or rate of progress ever falls into the suspension ranges specified below, the student is considered not to be making satisfactory progress, is placed on academic suspension, and must be withdrawn from the College.

READMITTANCE FOLLOWING SUSPENSION

Students who have been suspended may apply for readmittance to the College after one academic term according to the readmission policy. Students readmitted at this point are considered to be on probation but must bring their CGPA or rate of progress into the probation range by the end of the first academic term after being readmitted. If it is mathematically impossible for the student to improve into the probation range by the end of the first academic term after readmittance or if in the judgment of the Academic Dean or College President it is highly improbable for the student to improve into the probation range, the student will not be readmitted.

ACADEMIC DISMISSAL

Students who have been readmitted following academic suspension who fail to improve their CGPA into the probation range by the end of the first academic term after readmittance will receive an academic dismissal, and the student must be withdrawn from the College. Students who have been dismissed are not eligible for readmittance to the College as a regular student. Please see the section entitled "Reinstatement as a Non-Regular Student from Extended Enrollment Status."

APPEALS PROCEDURES

Students have a right to appeal any action or decision that affects their academic performance or records such as grades, probation, warnings, suspension of financial aid or dismissal from a program. If a student disagrees with the reasons for an academic decision or the application of an academic policy that affects the student, the student should first request reconsideration of that decision or action from the person who made the decision. If the student is not satisfied with the result, the student may file an appeal.

Appeals may be granted based on evidence of bias, error or unanticipated extenuating or mitigating circumstances. Extenuating circumstances may include loss of transportation, civic duties, conflicting personal responsibilities, etc., that affect the student's attendance or classroom performance. Mitigating circumstances may include illness, death of a close relative, injury, etc.

When an appeal is requested by a student, enforcement of any suspension of financial aid or dismissal from the program is delayed until the appeal has been decided. Students who have appealed are expected to continue in attendance pending the outcome of the appeal. However, any financial aid disbursements will be suspended pending the outcome of the appeal. When an appeal is not granted, the date of suspension of financial aid or dismissal from the program shall be the date of the original action. Should the student withdraw immediately following the denial of an appeal, the student will not be charged for any attendance following the date the student was originally suspended from financial aid or dismissed from the program.

APPLICATION OF GRADES AND CREDITS

Transfer credits from other schools or completed programs within this campus are not included in the calculation of CGPA but are included in the "Total Number of Credits Attempted" (see chart) in order to determine the required levels for CGPA and rate of progress. Transfer credits are included as credits attempted and successfully completed in calculating the rate of progress. For students who transfer between programs at the campus, all attempts of courses common to both programs will transfer to the new program and will be calculated into both the CGPA and the rate of progress in the new program. For students who transfer between programs at the campus, all grades and credits attempted for courses that are common to both programs will transfer to the new program and be calculated in the satisfactory academic progress measurements of the new program. If a student graduates from one program at the campus and then enrolls in another program at the campus, all grades and credits attempted for courses that are common to both programs will transfer to the new program and be calculated in the satisfactory academic progress measurements of the new program.

When a student repeats a course, the higher of the two grades received is used to calculate the CGPA; however, the original course credits remain included in the "Total Number of Credits Attempted" in order to determine the required progress level. The original credits are considered as not successfully completed.

For calculating rate of progress, grades of F (failure) and W (withdrawn) are counted as hours attempted but are not counted as hours successfully completed. Grades of I (incomplete) will also be counted as hours attempted but not as hours successfully completed; however, when the I is replaced with a letter grade, the GPA and satisfactory progress determination will be recalculated based on that letter grade and the credits earned.

CONTINUATION AS AN EXTENDED-ENROLLMENT STUDENT

Students who have been suspended or dismissed due to failure to maintain satisfactory academic progress may be allowed to continue as students of the College under the following conditions:

- The student is allowed to continue in an extended-enrollment-student status for a period of time not greater than 25% of the normal program length (two academic quarters for Associate's degree programs).
- The student is not eligible for student financial aid.
- The student is obligated to pay tuition, according to the established tuition rate per credit hour, for any courses in which the student is enrolled.
- During the time as a special student, the student is to be working toward coming into compliance with the standards of satisfactory progress, or at the least, close enough to qualify for readmittance as noted (i.e., can come into compliance within the time frame specified above). If, by the end of the maximum period allowed on extended enrollment status the student has not improved his/her academic standing to the probation range, he/she will be dismissed.

REINSTATEMENT AS A REGULAR STUDENT FROM EXTENDED-ENROLLMENT STATUS

Students who have attempted the maximum number of credits allowed under their program but have not earned all of the credits necessary to complete their program may be allowed to enter extended-enrollment status. However, they will never be eligible for readmittance to regular-student status in the program from which they were suspended or dismissed but may continue on extended-enrollment status for the purposes of completing all required credits. Further, these students who have entered extended enrollment status are not eligible for graduation (cannot receive a degree or diploma) from their programs but can receive a certificate of completion for the credits they successfully completed.

SATISFACTORY PROGRESS AND FINANCIAL AID

Students must meet the standards of satisfactory academic progress in order to remain eligible to continue receiving financial assistance as well as to remain eligible to continue as a student of the College.

The financial aid office will provide details to all eligible recipients. Students should read these standards carefully and refer any questions to academic or financial aid personnel. Satisfactory academic progress for purposes of determining continuing federal financial assistance is determined by applying the CGPA requirements, rate of progress requirements, maximum completion time restrictions, probation provisions, suspension and dismissal procedures, and appeals procedures as outlined in the satisfactory academic progress section of the College catalog.

Students on academic probation are considered to be maintaining satisfactory academic progress and are eligible to continue receiving federal financial assistance. Students who have been academically suspended or dismissed are no longer active students of the College and are ineligible for financial aid. Reinstatement of financial aid eligibility will occur only after readmittance following suspension or in the event the student's appeal results in readmittance.

SATISFACTORY PROGRESS REQUIREMENTS

In addition to the standards described below, students are evaluated at 25% of the maximum program length and must have a minimum CGPA of 1.25 and a rate of progress of 55% or will be placed on probation. Students are also evaluated at 50% of the maximum program length and must have a minimum CGPA of 1.5 and rate of progress of 60% or they will face academic suspension and must be withdrawn from the College.

SATISFACTORY PROGRESS TABLE

STATEMENT OF ACADEMIC FREEDOM

Everest College endorses and adheres to the concept of academic freedom and supports the instructor's privilege to function as a scholar in the interpretation and application of theories and ideas. While course content is mandated by catalog course synopses, course administration is not imposed. The College believes that students' interests are best served when instructors are given freedom concerning modes of teaching, specific course requirements, and course evaluation methods. The College recognizes, however, that academic freedom does not defend the teaching of doctrines inconsistent with the stated purpose of the College.

REPEATING A CLASS

A student may repeat a course taken at the College in order to improve the cumulative grade point average. Repeated courses will appear on the student's transcript. The first attempt will also be shown; however, the cumulative grade point average will be calculated with the higher of the two grades. All repeats will be charged at the student's current tuition rate.

Externships, while not normally subject to being repeated, may be repeated only with the permission of the Department Chair and/or the Academic Dean.

DIRECTED STUDY

There may be times during the student's course of study that the student is unable to take a specific required course due to work schedule conflicts, emergency situations, or course scheduling conflicts. Should such an instance arise, the student may request permission from the Department Chair and Academic Dean to complete a course through directed study. Directed study will not be approved during the first two quarters that a student is in residence unless approved by the College President. No more than eight (8) quarter credit hours earned through directed study may be applied to the major core of any Associate's degree. In addition, students may not take more than one directed study course in a single academic term without approval from the Academic Dean or College President.

If approved and scheduled for a directed study course, the student will be assigned to a faculty advisor who will provide the student with syllabus, assignments and directions for course completion. The student will meet with the faculty advisor on a weekly basis, complete all reading and writing assignments and examinations, and submit any required research or term papers, all of which will be used to determine the final course grade as defined in the syllabus.

ONLINE LEARNING

The institution may choose to offer certain courses online. Online courses are offered through the Internet, and interaction between the students and faculty occur using a "virtual classroom." Courses will generally be similar in content to the in-class mode, although more individual effort and initiative will be required to successfully master the material. Online courses will be designated on the class schedule so students may register during the normal registration period.

To maximize success within the online courses students must:

- Have a computer with a system profile that meets or exceeds requirements listed on the Online Learning Application at the time of enrollment.

-
- Have Internet access and an established email account.
 - Commence online contact with the course site within the first three days of the term.
 - Understand that student participation and class activities occur weekly throughout the course.
 - Understand that if a student fails to participate in class activities during two consecutive weekly periods of a six-week course or three consecutive periods of a twelve-week course, the student may be withdrawn from the course and may not be allowed to reenter the course during that term.

Certain fees may be charged to students registered in online courses. Please refer to the schedule of fees in Appendix B for specific charges.

ADMINISTRATIVE STANDARDS

The Academic Dean and/or College President, after a review of the academic record and test scores of an incoming student, has the prerogative to refuse entry into a program that the Academic Dean and/or College President deems to be too rigorous for the student.

The College reserves the right to make changes at any time as necessary in the regulations and fees, and to cancel any course if registration does not justify continuance. Normally, a minimum of 15 students will be required for a class to be scheduled. All courses needed by students for their graduation will be offered during their normal attendance period.

GRADUATION REQUIREMENTS

Students at Everest College must have a minimum 2.0 cumulative grade point average and the required hours of the program they are pursuing to be eligible to graduate. All financial obligations, including tuition charges, fees, and other expenses, must be fulfilled before graduation. Formal out-processing is also required prior to graduation.

In order to maintain satisfactory status leading to graduation, a student must:

1. Have a minimum cumulative grade point average of 2.0;
2. Adhere to all College rules and regulations;
3. Adhere to the attendance policies and standards of conduct, as well as settling all financial obligations to the College and;
4. Complete the minimum course work and hours of credit required in the program in which the student is enrolled.

OUT-PROCESSING UPON GRADUATION

A graduating student must contact the Placement Director's office during the last term before completion of the student's degree requirements. This office will assist the student in applying for employment assistance. Students receiving an Associate of Science degree may be required to take a comprehensive examination in their respective programs. The student must complete a graduation petition within the term prior to completion of all academic requirements. The student will then see the Student Finance Office for financial aid repayment instructions (if any) and a determination of completion of the student's financial obligation to the College. Finally, the student must meet with the Registrar to ensure that all academic requirements have been satisfied. Upon completion of these requirements, the student may become an official graduate of Everest College.

COMMENCEMENT CEREMONY

Although students officially graduate from Everest College at the end of the term in which they have earned the required number of credit hours at a minimum overall grade point average of 2.0 or better, the College holds graduation ceremonies only twice each year, typically in October and April. The College reserves the right to change these dates. All students completing graduation requirements during the months prior to commencement are eligible to participate in the ceremony. Graduates will be assessed a graduation fee at the time of filing the graduation petition. This request must be completed within the term prior to completion of all academic requirements to participate in commencement.

GRADUATION HONORS

Students who graduate with outstanding academic achievement evidenced by a cumulative grade point average of 3.50 or higher are entitled to graduate with honors.

ADMINISTRATIVE POLICIES

HOURS OF OPERATION

OFFICE HOURS

The Everest College administrative offices are open from 8:00 a.m. until 6:00 p.m. each school day and until 5:00 p.m. on Friday. We suggest calling for an appointment prior to visiting the College. Admissions appointments can be made on selected Saturday mornings from 9:00 a.m. to 1:00 p.m. Appointments with Financial Aid Officers, the Academic Dean or other administrative staff can also be made after 6:00 p.m. by appointment.

CLASS HOURS

Everest College classes meet on Monday through Friday beginning at 8:00 a.m. Evening classes are offered Monday through Thursday, beginning at 6:00 p.m. Saturday classes begin at 8:00 a.m. and 12:00 p.m. Classes may be scheduled at other times when necessary to provide classes for all students. Specific times and locations of each class are available on the class schedule published prior to the beginning of each quarter.

CLASS SCHEDULES/SCHEDULE CHANGES

Everest College adheres to the philosophy that students who are sincerely interested in obtaining an education desire to pursue their education at the fastest possible rate; therefore, classes are held year round. Four weeks per year are set aside for breaks.

All students will be issued class schedules at the beginning of the term indicating day and time of class meeting. Pre-scheduling times (registration) are available for students to meet with academic officials each term. The Academic Dean must approve all changes in a student's schedule.

All full-time students are required to maintain a minimum load of 12 credit hours (eight credit hours during a mini-term). A student must be full-time to qualify for student awards programs such as President's List, Dean's List, and Perfect Attendance each term. Students who need to take less than two courses in a term must provide a written request to obtain approval from the Academic Dean or College President.

TERMS

The College is on the quarter system. Classes are held 12 months out of the year, and there are four full terms in each calendar year. The four full terms shall last approximately 12 weeks and normally begin in the following months each year:

- Winter Term January
- Spring Term April
- Summer Term July
- Fall Term October

MINI-TERMS

Six weeks into each of the four full terms listed above, a six-week mini-term begins to give new and returning students the opportunity to get a "head start" on the next full term. During the mini-term, a student will take two courses that will meet two to four times weekly for six weeks. This helps many students phase into their return to college with a smaller load. It also enables many students to start their class earlier than if they waited until the next full term. At the end of the mini-term, the student would then enter the next scheduled full term.

CANCELLATION OF CLASSES

The College reserves the right to cancel any scheduled class in which there are an insufficient number of students enrolled.

TELEPHONES

No student will be called out of class for a telephone call, except in case of emergency. We request that family and friends be informed of this policy. There is a public telephone available in the student lounge. Cell phones

and pagers may not be activated during class time; students are asked to wait until designated break times to place calls.

SMOKING

Because the health of our students and employees is very important, we maintain a smoke-free environment within the building.

FOOD AND BEVERAGE

Students may partake of food and non-alcoholic beverages in the student lounge. Food and beverages may not be taken into the computer labs or the library under any circumstances. Food may be permitted in classrooms at the faculty's discretion and must be properly disposed of prior to leaving the classroom. All students are encouraged to help keep the campus free of litter.

GUESTS/CHILDREN ON CAMPUS

An atmosphere conducive to learning must be maintained without disruption to the teaching and work environment. Therefore, it is the policy of the College that children, friends and/or relatives shall not be brought to classrooms, labs or the library and may not be left in lounges or offices.

Deliveries of messages, packages, or other items will not be made during class time. Students are advised not to have messages or deliveries of any kind requested during class. For the safety and security of all concerned, visitors to the College asking for a student will not be escorted to the student's classroom and will not be provided any information about the student's whereabouts.

LOST AND FOUND

The College maintains a Lost and Found at the reception desk. The College cannot assume responsibility for any student's property. Any property turned into the receptionist will be kept for a period of 30 days. Contact the receptionist regarding lost items.

DRESS CODE

Students are expected to dress in an appropriate manner that would not be construed as detrimental to the student body and the educational process at Everest College. Students are reminded that the College promotes a business atmosphere. Students are encouraged to remember that Faculty and visiting speakers are professionals and could be potential employers. Students should always be cognizant of the first impression of proper dress and grooming.

STUDENT CODE OF CONDUCT

BACKGROUND

The College maintains professional-level standards for conduct and behavior for all students. The standards of conduct for students are patterned after those of professional employees in the workplace. Students are expected to observe campus policies and behave in a manner that is a credit to the campus and to themselves. Certain violations of the student conduct code, as outlined in this policy, shall result in immediate dismissal. Other violations are subject to a progressive disciplinary action, where the student is advised and given every opportunity to change his or her behavior to meet the expectations of the College and to prepare for what the student might later expect to find in a professional-level work environment. The College maintains the right to discipline students found in violation of College policies.

- The College maintains the right to discipline students found in violation of College policies in accordance with the procedures below.
- The student conduct code applies to all students, including students taking online courses or a combination of online and campus courses. College Work Study students who violate the student conduct of conduct in the performance of their college work study duties are subject to disciplinary action/procedures.
- The Campus President or designee (typically the Director of Education/Dean or, in the case of online students, the Online Coordinator) has the authority to make decisions about student disciplinary action.
- Students are subject to the student conduct code while participating in any program externship, clinical rotation, or other College-related activity.
- All student conduct code violations shall be documented in the student's academic record.

-
- Students dismissed for violations of the student conduct code shall remain responsible for any financial obligations to the College.
 - Students dismissed from one Corinthian Colleges, Inc. college for violation of the student conduct code shall not be eligible for admittance to another CCI college.

STUDENT CONDUCT CODE

Students must show respect toward and be cooperative with College faculty and staff during the performance of their duties, as well as show respect for fellow students and campus visitors.

Examples of conduct that may result in disciplinary action include, but are not limited to, behavior that is disruptive, intimidating, dishonest, or discourteous; and destruction, theft, or other misuse of College property.

Violations that threaten the health and safety of campus employees, other students, or visitors shall result in immediate dismissal from the College. Violations that warrant immediate dismissal include, but are not limited to: threatening the safety of others; possessing alcohol, drugs, dangerous weapons, or other foreign substances on campus; theft; vandalism or misuse of the College's or another's property; or harassment or intimidation of others. Students dismissed for the reasons outlined above will not be allowed back on campus property without express permission of the Campus President or a designated College official.

STUDENT CONDUCT CODE VIOLATIONS/FORMAL DISCIPLINARY PROCEDURE

If the College has reason to believe that a student has violated the student conduct code, the College shall conduct an investigation and follow up with the student in the appropriate manner.

Violations that threaten the health and safety of campus employees, other students, or visitors shall result in immediate dismissal from the College.

Other student conduct code violations shall be governed by a *progressive disciplinary procedure*. For isolated, minor student conduct code violations, the College may decide to conduct academic advising and issue a verbal reminder of the student conduct code, or to provide the student with written notice, as the College deems appropriate. The College may also decide to suspend or place a student on probation for a specified period of time, pending a full investigation of student conduct code violations or as a form of corrective action short of dismissal from the College.

First Offense - A written warning. The student shall receive a letter that describes the specific examples of the student's misconduct and the consequences if further violations occur.

Second Offense - Student dismissal. Each student dismissed shall receive a dismissal letter from the campus, stating the reasons for dismissal and any applicable appeals procedures.

Threats to Health/Safety - Immediate dismissal. Dismissal letter within a reasonable period of time; student not allowed back on campus property without President's or designee's approval.

APPEALS

A student dismissed for violations of the student conduct code may appeal the dismissal by submitting a letter to the College President for consideration. The appeal letter should include the reasons why the decision should be changed and the student allowed to return to school. The student must appeal the decision within 10 days or a reasonable period of time after the student receives notice from the College that he/she has been dismissed. Students should refer to the Campus Grievance Procedures in the College catalog. The student who appeals a dismissal shall receive written notice of the decision. The College President's decision on an appeal shall be considered final.

ACADEMIC INTEGRITY

- Any form of deception in the completion of assigned work is considered a form of academic dishonesty. This includes, but is not limited to: copying another's work from any source; allowing another to copy one's own work whether during a test or in the submittal of an assignment; any attempt to pass off the work, data, or creative efforts of another, as one's own; knowingly furnishing false information about one's academic performance to the College.

-
- If a student is found to have committed one or more of the acts listed above, the student may, at the Academic Dean's discretion, receive an F grade for the assignment or exam. If repeated offenses occur, the student may be dismissed from the College as per the disciplinary procedures outlined above.
 - All violations of academic policy are documented and made part of the student's academic record.

ALCOHOL AND SUBSTANCE ABUSE STATEMENT

The College does not permit or condone the use or possession of marijuana, alcohol, or any other illegal drug, narcotic, or controlled substance by students or employees.

Possession of these substances on campus is cause for dismissal.

SEXUAL HARASSMENT POLICY

The College will strive to provide and maintain an environment free of all forms of harassment. Sexual harassment is a violation of Title IV.

The following guidelines are issued which legally define sexual harassment as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
- Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

The College will not tolerate sexual harassment. Behavior toward any employee or student by a member of the staff, faculty, or student body that constitutes unwelcome sexual advances, including comments of a sexual nature, or inappropriate conduct, including the display of derogatory drawings, cartoons, or posters, will be dealt with quickly and vigorously and will result in disciplinary action up to and including termination or dismissal.

Any student or employee who believes that he or she is a victim of sexual harassment should immediately notify the office of the College President or Academic Dean. The College President or Academic Dean will conduct an investigation of all allegations. Information surrounding all complaints will be documented and kept strictly confidential.

STUDENT GRIEVANCE PROCEDURES

Persons seeking to resolve problems or complaints should first contact their faculty. Unresolved complaints should be made to the Academic Dean. Students who feel that the complaint has not been adequately addressed should contact the College President. Written responses will be given to the student within seven working days. If the problem remains unresolved, students may contact the Student Help Line at (800) 874-0255.

Schools accredited by the Accrediting Council for Independent Colleges and Schools must have a procedure and operational plan for handling student complaints. If a student feels that the College has not adequately addressed a complaint or concern, the student may consider contacting the Accrediting Council. Please direct all inquiries to:

ACADEMIC TRANSCRIPTS, DEGREES, AND DIPLOMAS

All student academic records are retained, secured, and disposed of in accordance with local, state, and federal regulations. All student record information is maintained on the College computer system. Permanent records are kept in paper form, microfiche or microfilm. The College maintains complete records for each student, including grades, attendance, prior education and training, and awards received.

Student academic transcripts, which include grades, are available upon written request by the student. Student records may be released only to the student or his/her designee as directed by the Family Educational Rights and Privacy Act of 1974.

Transcript and diploma requests must be made in writing to the Office of the Registrar. Official transcripts will be released to students who are current with their financial obligation (i.e. tuition and fees due to the College are paid current per the student's financial agreement). Diplomas will be released to students who are current with their financial obligation upon completion of their school program.

Students are provided an official transcript free of charge upon completing graduation requirements as stated in the previous paragraph. There is a fee for each additional official transcript requested. Normal processing time for transcript preparation is approximately three to five days.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the institution receives a request for access. Students should submit to the institution president written requests that identify the record(s) they wish to inspect. The institution official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the institution official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's educational records that the student believes are inaccurate or misleading. Students may ask the institution to amend a record that they believe is inaccurate or misleading. They should write the institution official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the institution decides not to amend the record as requested by the student, the institution will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. Generally, schools must have written permission for the parents of minor students or eligible students in order to release any information from a student's educational record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State Law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA. The name and address of the Office that administers

FERPA is the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5920.

Additional FERPA information is available from the institution's Business Office.

ORIENTATION

Orientation is mandatory and is held for all applicants accepted for admission. Notification of time and place of orientation is delivered by mail or telephone to all applicants accepted for admission.

During orientation, students will be acquainted with the rules and regulations of the College, informed of student services available, familiarized with the College facilities, and introduced to various College personnel. Children may not attend Orientation. Students are advised to make appropriate arrangements for childcare prior to Orientation.

POLICY AND PROGRAM CHANGES

The College reserves the right to change any provision or requirements in this catalog at any time without notice. The College further reserves the right to require a student to withdraw from the College for just cause, defined as any cause deemed detrimental to the College, as determined by the President.

Failure to read this catalog and other published or posted material does not excuse students from the requirements and regulations described herein.

FINANCIAL POLICIES

TUITION AND FEES

Tuition and fee information can be found in Appendix B: Tuition and Fees in this catalog.
--

Arrangements for payment of registration fees, tuition and book charges (if applicable) must be made in advance of the first day of classes for each term for which the student is enrolled. The College charges the student's tuition account for tuition at the beginning of each term for which the student is enrolled.

The minimum full-time course load is 12 credits per quarter. Non-credit-bearing coursework will be charged at the same rate as credit-bearing coursework. Textbook costs per quarter are dependent upon the classes for which the student is registered; however, the average has been \$200 to \$250 per quarter. All credits for which a student is registered are charged at the current rates, including any courses being repeated. Arrangements to cover the cost of tuition, books, and fees must be completed prior to registration each quarter.

The student's total tuition for a given quarter is determined by multiplying the number of credit hours for which the student is registered at the end of the drop/add period by the then current tuition rate for that number of credit hours.

Tuition will be charged on a quarterly basis. The tuition and fees listed in Appendix B will be charged for the student's first quarter (or mid-term quarter start) in attendance. Tuition and fees for subsequent quarters will be charged at the published rate in effect at the beginning of that quarter.

STATEMENT OF FINANCIAL OBLIGATIONS

A student who has applied, is accepted, and has begun classes at the College assumes a financial obligation. Each student is legally responsible for his or her own college expenses for the contract period in which the student is attending.

A student who is enrolled and has made payments in full or completed other financial arrangements is entitled to all the privileges of attending classes, taking examinations, receiving grade reports, having official transcripts sent, securing course credit, being graduated, and using the placement services.

Any student who is delinquent in a financial obligation to the College, including damages to the College and payment of tuition and fees, is subject to exclusion from any or all of the usual privileges of the College. A student will not be allowed to re-enroll in the College nor will grades or transcripts be released as long as the student owes the College a balance for any current or past terms.

CANCELLATION AND REFUNDS

CANCELLATIONS

The applicant's signature on the Enrollment Agreement does not constitute admission into the institution until the student has been accepted for admission by an official of the institution. If the applicant is not accepted by the institution, all monies paid will be refunded. A student who has not visited the school prior to enrollment may withdraw without penalty following either the regularly scheduled orientation procedures or a tour of the school and inspection of the equipment. A student has the right to cancel the Enrollment Agreement until midnight of the fifth business day following the first scheduled class session. The refund will be made within 30 days of receipt of such notice. Cancellation will occur when the student gives written notice of cancellation at the College address shown on the front page of the Enrollment Agreement. Notice of cancellation may be given by mail, hand delivery or telegram. The notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, is effective if it states that a student no longer wishes to be bound by the Enrollment Agreement. A notice of cancellation may be given by mail, hand delivery or telegram. The notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed, with postage prepaid.

Official Withdrawals

An official withdrawal must be documented in writing.

After the five-day cancellation period, students in quarter-based programs who officially withdraw from the institution prior to the end of the institution's official drop/add period will be dropped from enrollment, and all monies paid will be refunded.

All refunds will be made within 30 days of the date the institution is notified of the official withdrawal.

REFUNDS

When a student withdraws, the institution must complete two calculations. First, if the student is a Title IV recipient, the institution must determine how much federal grant and loan assistance the student has earned under the Federal Return of Title IV Funds Policy. Then, the institution must determine how much of the tuition and fees it is eligible to retain using the institutional refund policy.

If the student (or parent, in the case of a PLUS Loan) is eligible for additional funds at the time of withdrawal, the student may receive additional student financial aid (SFA) funds. If the student received more SFA funds than he or she earned under the Federal Return of Title IV Funds policy, the institution, and in some cases the student, is required to return the unearned funds to the Federal program(s) or lender, as applicable.

Any unpaid balance of tuition and fees that remains after calculating the institutional refund policy and applying the amount of SFA funds earned based on the Federal Return of Title IV Funds policy must be paid by the student to the institution.

Any monies due an applicant or student will be refunded within 30 days of the date of cancellation, withdrawal or termination. A withdrawal is considered to have occurred on the earlier of a) the date the student officially notifies the College of their intent to withdraw, or b) the point at which the student fails to meet the published attendance policies outlined in the College catalog. The refund computations will be based on the last date of student attendance.

In cases of prolonged illness or accident, death in the family, involuntary call to active military duty or other circumstances that make it impractical to complete the program, the College may make a settlement that is reasonable and fair to both parties.

Federal Return of Title IV Funds Policy

All institutions participating in the SFA programs are required to use a statutory pro-rata schedule to determine the amount of SFA funds the student has earned up to the date of withdrawal. A student who has been qualified for SFA funds earns funds upon attendance within a payment period or period of enrollment. If a student who has qualified for SFA program assistance withdraws from the institution during a payment period or a period of enrollment, the institution must calculate the amount of SFA program assistance the student did not earn, and those funds must be returned. Up through the 60% point in each payment period or period of enrollment, a pro-

rata schedule is used to determine how much SFA program funds the student has earned up to the date of withdrawal. After the 60% point in the payment period or period of enrollment, a student has earned 100% of the SFA funds. The institution calculates the federal return on the basis of the payment period.

The percentage of the payment period completed is determined by dividing the number of calendar days completed in that period (numerator), by the total number of calendar days in the period (denominator). Scheduled breaks of at least five consecutive days are excluded from the total number of calendar days in the period.

The College must return the lesser of:

- The amount of SFA program funds that the student did not earn; or
- The amount of institutional costs that the student incurred for the payment period or period of enrollment multiplied by the percentage of funds that were not earned.

The student (or parent, if a Federal PLUS loan) must return or repay, as appropriate:

- Any SFA loan funds in accordance with the terms of the loan; and
- The remaining unearned SFA program grant (not to exceed 50% of a grant) as an overpayment of the grant.

Bureau for Private Postsecondary and Vocational Education Refund Policy for Degree Programs

Prior to the completion of 60% of the course of instruction, refunds are based on the total number of clock hours in the period of enrollment. Refunds for students completing 60% or less of the period of enrollment will be calculated as follows:

1. Add the registration fee, not to exceed one hundred dollars (\$100), to the total charges for the period in which the student is enrolled.
2. Divide this figure by the total number of hours for the courses taken during the enrollment period.
3. The answer to the calculation in step (2) is the hourly charge for instruction.
4. The amount owed by the student for the purposes of calculating a refund is derived by multiplying the total hours attended by the hourly charge of instruction and adding in any book or equipment charges.
5. The refund shall be any amount in excess of the figure derived in step (4) that was paid by the student.

The College may retain the entire contract price of the period of enrollment—including tuition, fees and other charges—if the student terminates the education after completing more than 60% of the enrollment period.

Sample Calculation:

A student enrolled in three courses for a given quarter. The three courses totaled 12 credits and 120 clock hours. The student was charged \$2,352 in tuition, a \$25 Registration Fee and \$250 for books and equipment. The student withdrew from school after attending 36 hours (3 weeks at 12 hours per week) and did not return the books and equipment. The student had paid the school \$1,250 for that quarter's tuition and fees.

1. The student is entitled to a refund since he/she completed less than 60% of the quarter (36 hours divided by 120 hours equals 30%).
2. The total tuition charges for the quarter are \$2,377 (\$2,352 plus \$25).
3. The hourly charge for instruction is \$19.81 (\$2,377 divided by 120).
4. The amount owed by the student is \$713.16 (\$19.81 multiplied by 36) plus \$250 for books and equipment (\$963.16 total).
5. The refund is \$286.84 (\$1,250 less \$963.16).

State of California Student Tuition Recovery Fund

California law requires that this institution pay a fee each time a student enrolls. This fee supports the Student Tuition Recovery Fund (STRF), a special fund established by the California Legislature to protect any California resident who attends a private postsecondary institution and experiences a financial loss as a result of the closure of the institution, the institution's breach or anticipatory breach of the agreement for the course of instruction, a decline in the quality or value of the course of instruction within the 30-day period before the institution's closure, or the institution's refusal to pay a court judgment.

As of July 1, 2005, The Bureau for Private Postsecondary and Vocational Education has suspended STRF assessments for degree-granting schools. This Fund, which continues to operate, is administered by the State of California's Bureau for Private Postsecondary and Vocational Education.

You are not eligible for protection from the STRF and you are not required to pay the STRF fee if either of the following applies:

1. You are not a California resident;
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

Refunds under Exceptional Circumstances

Tuition and fees will be refunded in full for the payment period under the following circumstances:

1. Courses cancelled by the College;
2. Involuntary call to active military duty;
3. Documented death of student or member of his or her immediate family (parent, spouse, child or sibling);
4. Exceptional circumstances, with approval of the President of the College (or designee).

Remittance to the Federal Government

If it is determined that a federal refund is due, the statute and the regulations clearly define the order in which remaining federal student financial aid program funds are to be returned. Based on the student's financial aid award(s) (his/her parent(s) in the case of PLUS Loans) the return of federal funds will be remitted to the appropriate program in the following order:

1. Unsubsidized Federal Stafford Loan Program;
2. Subsidized Stafford Loan Program;
3. Unsubsidized Federal Direct Stafford Loan Program;
4. Subsidized Federal Direct Stafford Loan Program;
5. Federal Perkins Loan Programs;
6. Federal PLUS Loan Program;
7. Federal Direct PLUS Loan Program;
8. Federal Pell Grant Program;
9. Federal Supplemental Educational Opportunity Grant (FSEOG) Program;
10. Other federal, state, private and/or institutional sources of aid; and
11. The student.

FINANCIAL ASSISTANCE

This campus offers students several options for payment of tuition. Those able to pay tuition are given a plan to help reduce their fees upon entry. On the other hand, the College recognizes that many students lack the resources to begin their educational training. The campus participates in several types of federal, state and institutional financial aid programs, most of which are based on financial need.

Students seeking financial assistance must first complete the Free Application for Federal Student Aid (FAFSA). The College's financial aid representative uses this form to determine students' needs and assist them in deciding what resources are best suited to their circumstances.

If students withdraw from school, an adjustment in the amount they owe may be made, subject to the refund policy of the College. If they received financial aid in excess of what they owe the institution, these funds must be restored to the federal fund account or to the lender if they received a federal loan.

The following is a description of the financial aid programs available at this school. Additional information can be obtained through the Finance Office. Information regarding benefits available from the Bureau of Indian Affairs or the Vocational Rehabilitation Program can be obtained through those agencies.

CAL GRANTS

California sponsors the Cal Grant programs through the Student Aid Commission. Students who are California residents seeking postsecondary education may qualify if they have not defaulted on a previous student loan and do not owe a refund on any state or federal educational grant. Awards are based on financial need, academic progress and program of study.

FEDERAL PELL GRANT

The Federal Pell Grant Program is the largest federal student aid program. For many students, these grants provide a foundation of financial assistance that may be supplemented by other resources. Eligibility for the Federal Pell Grant Program is determined by a standard formula that is revised and approved every year by the federal government. Unlike loans, grants do not have to be paid back.

FEDERAL STAFFORD LOAN (FSL)

Formerly the Guaranteed Student Loan (GSL), this low-interest loan is available to qualified students through the lending institutions or agencies participating in the program and is guaranteed by the U.S. government. Repayment starts six months after the student drops below half-time status, terminates training or graduates.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)

Students who are unable to continue their education without additional assistance may qualify for this program. Grants are based on the funds available and do not have to be repaid. Need is determined by the financial resources of the student and parents, and the cost of attending the College.

FEDERAL PARENT LOAN FOR UNDERGRADUATE STUDENTS (FPLUS)

The Federal Parent Loan for Undergraduate Students (FPLUS) provides additional funds to help parents pay for educational expenses. The interest rate for these loans is competitive and the repayment schedules differ. Loan origination fees may be deducted from the loan by the institution making the loan as set forth by government regulations.

IMAGINE AMERICA SCHOLARSHIPS

This institution participates in the Imagine America scholarship program operated by the Career Training Foundation of Washington D.C.

Under this scholarship program two \$1,000 Imagine America scholarships are available at each participating high school and can be awarded to two graduating high school seniors from that school.

Scholarship certificates are sent directly to the high school from the Career Training Foundation of Washington D.C. The high school guidance counselor and the high school principal select the students of their choice to receive the award. Certificates have to be signed by the counselor and principal to be valid. The chosen high school seniors can each only receive one Imagine America scholarship.

Imagine America scholarship certificates are to be given to the Financial Aid Office, are non-transferable and cannot be exchanged for cash. Scholarship certificates will be accepted until October 31st of the year in which they are awarded.

ALTERNATIVE FINANCING PROGRAM

The College offers an alternative financing program as a supplement to Title IV Federal Family Education Loans. These loans are funded by the College and are administered (collection of monthly payments, servicing of the loan, etc.) by an independent servicing company. Students qualify for the alternative financing program on the basis of need for financial aid, the expected family contribution toward the educational costs, and the other types of financial aid for which the student has qualified or may qualify. The alternative financing program payments range from \$50 to \$200 per month. The first monthly payment must be made no later than the first night of class and may continue beyond graduation until the loan is fully repaid. Students interested in the alternative financing program should see the Student Finance Office for a complete information package (including current interest rates and loan servicer).

ENTRANCE AND EXIT INTERVIEW/LOAN COUNSELING

The College counsels each student regarding each loan to make sure the student understands the amount borrowed and the student's rights and responsibilities regarding repayment.

The student must report to the student finance office prior to withdrawal or graduation for loan counseling. The purpose of this session is to inform the student of the total loans received while in attendance at the College,

refunds that may have been made, and to provide the student with an estimated payment schedule. If the student is unable to meet with the student finance office, an exit interview will be mailed.

STUDENT SERVICES

CAREER SERVICES

Everest College is dedicated to assisting graduates in securing employment in their chosen fields. Students must understand that securing of employment is a cooperative effort.

The College Career Placement Director promotes the availability of Everest College graduates for employment through personal contact, media advertising, announcement letters, and employment surveys. Assistance is given in the completion of employment applications, successful resume writing, and proper interviewing techniques.

Students must aid the employment effort with quality academic work, excellent attendance, a cooperative attitude, a desire to succeed, and reasonable salary expectations. Should a student fail to meet a scheduled employment interview without properly notifying the prospective employer and the College, or demonstrate unprofessional behavior during an interview scheduled by the College, the student may not be considered for subsequent employment interviews.

Everest College will prepare the students educationally for employment and will assist the student in all employment matters but does not, in any way, guarantee employment.

TUTORIAL ASSISTANCE

Everest College offers tutorial assistance at no charge to its students provided any student requesting such tutorial assistance meets the following criteria:

1. Is a student in regular attendance at the College;
2. Arranges for tutorial assistance through the office of the Academic Dean or Department Chair;
3. Schedules tutoring sessions on campus.

STUDENT ADVISING

Students are urged to seek assistance from those who are here to help. Students should feel free to go to their Department Chair, instructors, the Academic Dean or the College President with any problems.

Advising encompasses several important areas of student life. Academic advising is coordinated by the Academic Dean and includes satisfactory progress, attendance, and personal matters. The Academic Dean and Department Chairs serve as advisors and assist students in course selection and registration, dropping and adding courses, changing of major, and meeting graduation requirements.

Academic advisement is sometimes required when students are having difficulties with their studies. If a student is placed on academic probation, advisement is required before he can register for the next term. Disciplinary advisement is handled through the President's Office when behavioral problems arise in the classroom or on the campus.

CLUBS AND ORGANIZATIONS

Everest College encourages the establishment of clubs and organizations on campus to strengthen students socially, physically, spiritually, politically, and psychologically as they prepare to face career decisions after graduation. Students desiring to establish new organizations, should contact the Academic Dean for further information and guidelines.

STUDY GROUPS

The College will provide on-site facilities as available for the use of students choosing to work in study groups. Assistance will be provided to students, on request, in identifying other students in similar educational programs interested in participating in study groups.

ASSOCIATE OF SCIENCE

BUSINESS

The **Associate in Science in Business** program is offered for those students whose career goals require a broad knowledge of the functional areas of business. All students will take coursework in the areas of accounting, general business, management, marketing, human resources, computer applications, and business law. In addition, students will choose an area of concentration that will comprise the balance of the courses in the major. The following describes each area of concentration.

Business Administration

The Business Administration concentration focuses on the structure, function, and procedures of standard business operations. The program prepares students for a variety of entry-level positions in areas such as sales, office supervision, and small business management.

Management

The Management concentration focuses on the fundamental business management principles utilized by today's businesses. The graduate of this program will be prepared for entry-level positions in supervisory roles in business, industry and government.

Marketing

The concentration in Marketing is designed to provide students with a basic marketing background to prepare for entry-level positions in business, industry, and government.

PARALEGAL

Graduates of the Paralegal program are prepared, under the direction of an attorney, to interview, gather, review and analyze factual situations; research the law; prepare and interpret legal documents; conduct day to day operations of a legal office. Graduates of the program may find employment in legal offices, state and federal government agencies, corporate legal departments, consumer groups, insurance companies, banks, title companies, and legal aid societies. The Paralegal program is a terminal degree in that it trains individuals for entry-level positions and is not a preparatory curriculum for law school.
